

WOOLWORTH THEATRE

A TASTE OF MUSIC CITY
Catering & Event Menu

Southern soul on the plate, served inside one of Nashville's most storied rooms, a historic downtown landmark on Rep. John Lewis Way, reborn as a stage for the city's live sound. From jazz and blues to Motown and Music City songwriters, every menu is built to match the energy of the room and the show on the bill.

HORS D'OEUVRES

The Overture

Every great show opens with a hum in the room. Passed and stationed bites that set the tone as your guests arrive under the lights of the Marquee, the first note of the night.
